

Exclusively Marketing Your Home Using Video and TV

COLORADO'S BEST IN THE BUSINESS

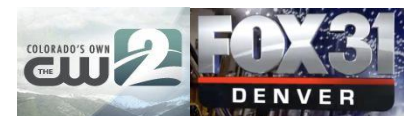

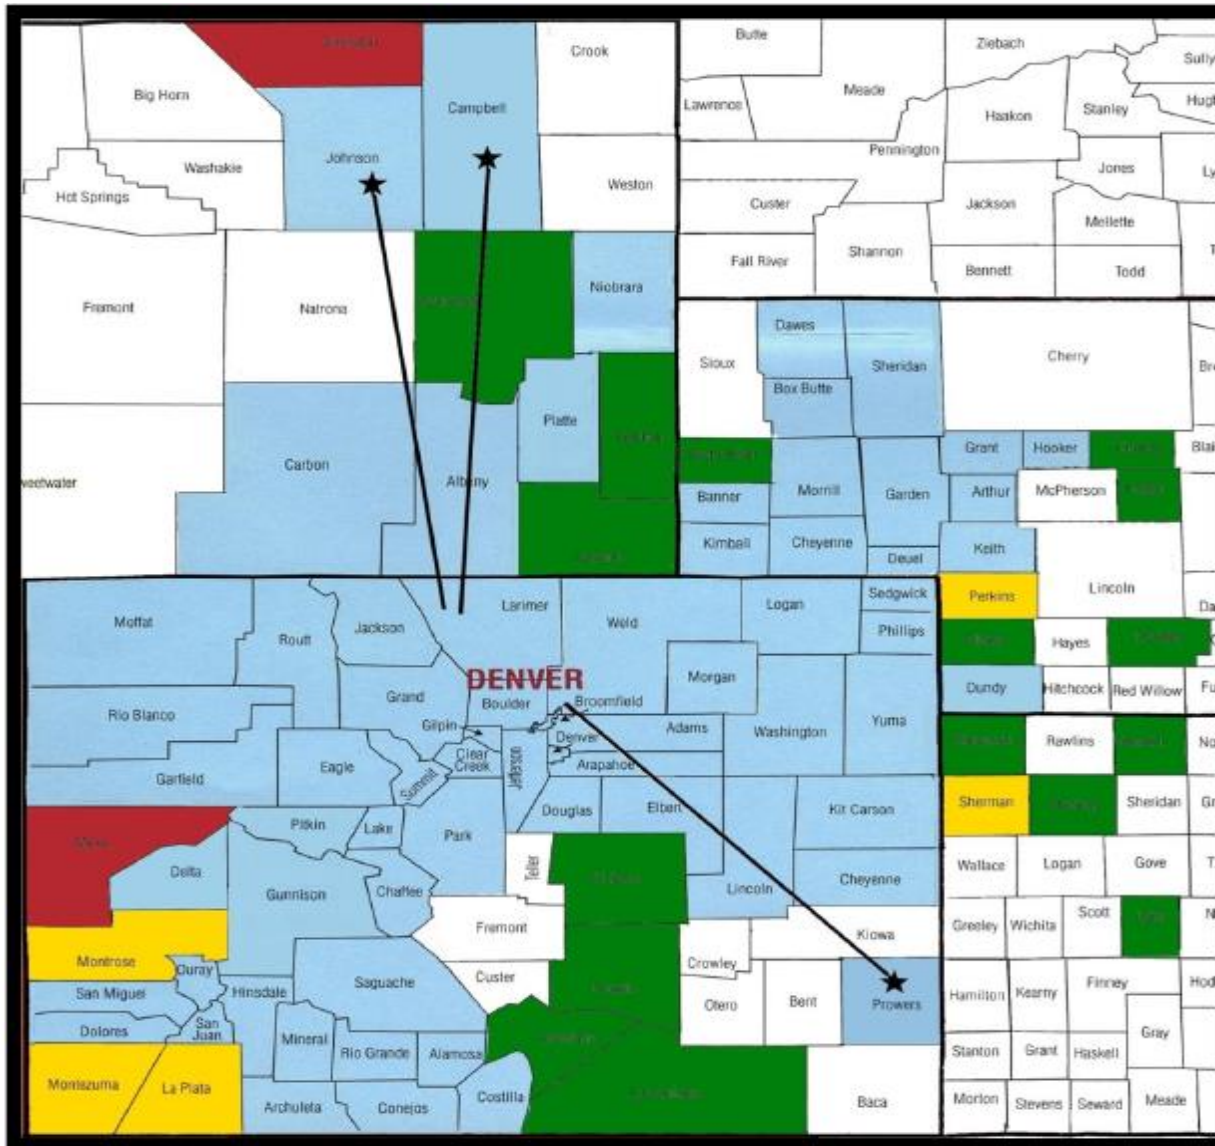

Tune in Sunday Mornings at 9:00am on Colorado's Channel 2

- No one markets homes like Coldwell Banker in Colorado featuring HD video on TV and on YouTube.
- Your property will be marketed to millions of potential buyers Sunday mornings at 9:00am and streaming online 24/7 at ColdwellBankerTVshow.com, Coloradahomes.com and YouTube.com/ColdwellBanker. Thousands tune in every week to see your home on our TV show following the popular reality show, "Today's Homeowner" hosted by Danny Lipford.
- In addition, I will also "share" the video on the most popular social media sites plus in my email signature line.
- The best part, while the others are still running little ads in newspapers... we market to where the buyers are. Brilliant!
